## **SYNOPSIS**

Here is a back-to-basics Christmas program using your whole church family as they celebrate and perform together. Narration, directly from God's Word, is read by adult actors from written scrolls so there is minimal memorization. The music is treasured and joyful Christmas carols and hymns. Use your youth and adults for solos, ensembles or instrumentals. At certain points, the whole congregation is invited to sing as well. School-aged kids can just dress up and pantomime with a few speaking parts and preschoolers are either sheep or tiny shepherds - cute either way! The costumes, props and staging are simple. Helpful tips are included for the director at the end of the script. Finally, a low-stress, flexible church program everyone can enjoy!
